

JOB DESCRIPTION - SAFE DELIVERY SPECIALIST

Above all else, a Domino's Pizza safe delivery specialist is responsible for delivering our products to the customer in a safe manner.

Job Description

To safely and courteously deliver the order to the customer's door.

Primary Responsibilities

- Call times "out of the door" / to the customer door.
- Project a positive image to the customer.
- Drive safely and courteously, obeying all traffic laws.
- Wear full uniform at all times and protective clothing when required.
- Be polite and courteous at all times.
- Know the delivery area.
- 'Make a cash drop' after each delivery.
- Make accurate cash transactions.
- Smart Hustle.
- Keep vehicles clean and in a safe, well maintained condition.
- To be able to read a map.
- Complete vehicle checklist at the beginning of every shift.
- Impress every customer.
- Ability to handle customer concerns.
- Display a spirit of co-operation, teamwork and Hustle.
- To immediately inform your manager of any problems.
- To assist with in-store jobs when available to do so (eg. answer phones/fold boxes).
- To prepare food for the make-line and assist in re-stocking.
- Other related duties as required e.g. leafleting and cleaning.
- Help maintain a clean and hygienic store.
